

About UNO MINDS 5.0

What is UNO MINDS?

UNO MINDS is an MCQ-based online national-level assessment run by the [UNO MINDA GROUP](#) across India. It will assess your academic competence, and based on your performance, winners will be selected and rewarded accordingly.

Who can participate in this?

It is open for all the engineering students of 3rd & 4th year in India (All Streams).

Where will it be conducted?

It will be a proctored online exam, so you can take it from any place you like.

When will it be conducted?

It will be conducted on the 21st of September 2024; College specific time slots will be shared with the TPOs.

What's in it for me (rewards)?

Unlike other competitions, we kept our reward as cash of INR 1Lac, 50K, and 25K for the 1st, 2nd, and 3rd winners, respectively. We will also give the top 100 scorers a certificate of recognition and a PPI offer (Pre-placement direct interview). Moreover, the winners will all be showcased on our [Official LinkedIn page](#) along with their Photos.
